History

A family owned winery with traditions dating back to 1790, Parés Baltà owns five estates in the Penedès mountains. The variety of the soils and elevation create unique microclimates that give a special personality to their wines. Organic viticulture is at the heart of the operation, Parés Baltà uses its own flock of sheep to fertilise the vineyard and bees for pollination during the flowering season. Today, the estate's management is led by brothers Joan and Josep Cusiné, and the winemaking is in the hands of their skilled oenologist wives, Elena Jimenez and Marta Casas. Parés Baltà's wines and cava express the essence of the Mediterranean ecosystem with elegance, concentration and balance.

Tasting Notes

Night bright, Predominating note of red fruits covering a background of toasty notes and vanilla.

The palate it is soft and friendly and with smooth tannins; flavours of red fruits, as cherries, combined with a touch of vanilla.
