History

Founded in 1881, Vinicola Serena operates on the principle of combining over 100 years of tradition with modern techniques and technology. This family-owned winery prides itself on its ability to innovate and being in tune with market demands, which has allowed it to significantly increase volumes to meet its clients' needs, whilst retaining its attention to quality and the environment. Vinicola Serena is now managed by the fifth generation under the guidance of brothers Gerardo and Giorgio Serena, who are helped by their children Chiara and Luca.
